

***Healthy tip of the month**

Take steps to keep you and your loved ones safe, healthy, and ready to enjoy the holidays. *** Prepare food safely.** Remember these simple steps: Wash hands and surfaces often, avoid cross-contamination, cook foods to proper temperatures and refrigerate foods promptly. *** Eat healthy, stay active.** Eat fruits and vegetables which pack nutrients and help lower the risk for certain diseases. Limit your portion sizes and foods high in fat, salt, and sugar. Also, be active for at least 2½ hours a week and help kids and teens be active for at least 1 hour a day. *** Monitor children.** Keep potentially dangerous toys, food, drinks, household items, and other objects out of children's reach. Protect them from drowning, burns, falls, and other potential accidents
