It is my pleasure to introduce myself as the new Superintendent of City of Cape Coral Charter Schools. I am truly honored and feel very privileged to be named the new Superintendent. Since being here, I have learned the tradition of excellence exists due to the wonderful people of our community and the hard work of our students and staff.

I would like to take this opportunity to tell you a little about myself and my family. First and foremost, I am a husband and father. My wife Rosica and I are the proud parents of Nicholas and Sophia. We have lived in Cape Coral for the past two years having moved up from Naples. My past positions include teacher, Adjunct instructor, and Principal of both a middle and high school.

It is a wonderful time to work in education. My mission as your Superintendent is also my passion and is the reason I do what I do. Working to ensure with certainty that we provide, and every child attains the skills necessary to become successful citizens in our community, country, and ever competitive global market.

I look forward to becoming a part of this amazing school system and community. I would like to thank you all for the warm welcome and for your support in our most important mission, the education of the student of the City of Cape Coral Charter School system.

Sincerely,

A handwritten signature in blue ink that reads "Nelson Stephenson".
