

CITY OF CAPE CORAL CHARTER SCHOOL AUTHORITY

CORE BELIEFS

The schools in the City of Cape Coral Charter School system believe:

- ✓ That a school should teach knowledge and cultural literacy within a rigorous curriculum that is relevant to students' needs, and stimulates their natural curiosity, imagination, and thinking skills.
- ✓ That student achievement is a result of high staff expectations, quality lessons, challenging curricula, and differentiation in teaching and learning;
- ✓ That our schools have created a unique environment and family atmosphere where a sense of community and citizenship are valued, and a collective responsibility is created to promote student success;
- ✓ That by focusing on our true customers – the students, we are able to infuse the character traits of love, kindness, respect, teamwork, compassion, and cooperation into their daily lives, making our schools the happy and positive environments for which they are recognized.
