## *Healthy tip of the month -

Eating Better. Tips to a healthy eating: Eat a variety of food, You need more than 40 different nutrients for good health and no single food can supply them all. Enjoy plenty of fruits and vegetables, Most of us do not eat enough of these foods either although they provide important protective nutrients. Eat moderate portions - reduce, don't eliminate foods, If you keep portion sizes reasonable, it's easier to eat all the foods you enjoy without having to eliminate any. Eat regularly, Skipping meals, especially breakfast, can lead to out-of-control hunger. Get on the move, As we have seen, too many calories and not enough activity can result in weight gain. Moderately physical activity helps burn off those extra calorie.
